

Price Guide

These are the starting prices for a groom. If your dog is larger than average, extremely overweight, has behavioral issues, requires two people, comes in matted/excessively dirty/covered in feces, urine, paint, burrs, tar, sap, etc – you can expect a higher hourly rate.

**Any dog requiring two people for groom: Add \$20-25/hr*

**Full coated breed standard cuts, Poodle patterns, + Hand Scissor haircuts will be a higher hourly rate than a one length all over clipper cut*
